Delish Foods Ltd. Mwanza is a subsidiary company of Zash Group of Companies Ltd. It is a private limited liability company incorporated on 28th December 2015 under the Company Act 2002 of Tanzania. The company produces, processes and distributes a wide variety of good quality and safe value-added, ready-to-eat, semi-ready-to-eat and regular fresh and frozen chicken, meat and fish products. Targeted markets are wholesale and retail local, regional, and global markets such as the Middle East, Far East, EU and USA.

The location and layout of the establishment provides adequate space and a healthy working environment for production of value-added products without a risk of cross-contamination. The establishment has a reliable safe water supply program and pollution management program. The company currently operates with a workforce of 50 employees with varying education levels and professional skills. Induction and regular on-the-job training of workers on different skills, basic hygiene and food handling is conducted, through emphasis on Good Manufacturing Practices (GMPs) and Good Hygiene Practices (GHPs) as pre-requisites and Hazard Analysis and Critical Control Points (HACCP) as food safety tools.

The company endeavours to adopt the concept of total quality management whereby the management and each employee is responsible for production of good quality and safe products. It is the obligation of each employee of Delish Foods Ltd to exercise maximum due diligence at all levels of manufacture and to ensure the success of the HACCP Program through continuous training and learning.
